Denison University

Dear Freshmen:

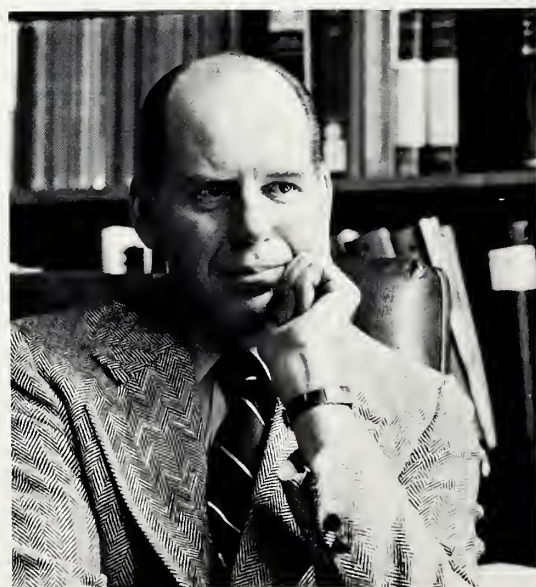

This book is one of many ways in which we welcome you to this community--a very useful way, for it will help you get to know your classmates, your campus leaders, as well as acquainting you with some of the more prominent of our many organizations on campus. There is other information provided, too, which you will find helpful.

You are joining a community which has deep roots in the history of our region. Our tradition is filled with "heroes," as every rich tradition should be. And it is filled with accomplishments in which we take great pride. You are joining a place of learning, a place which prizes intellectual and artistic accomplishment, and a place which educates for leadership.

We invite each of you to take pride in this institution; we expect you to respect its traditions, and we urge you to participate fully in the extraordinary opportunities which Denison will open to you.

Most cordially,

Robert C. Good

Dear Fellow Denisonian,

We are proud to welcome the class of 1986, and this Freshman Register is our way of hopefully assisting you to begin what we know will be four of the most rewarding and memorable years of your life.

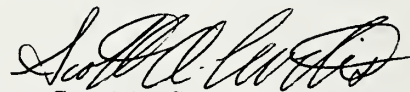

By virtue of being a Denison student, you also are now a member of the Denison Campus Government Association. D.C.G.A. exists to serve all Denison students and to promote their interests on campus. Because of the affiliation with almost fifty campus organizations and the operating budget which exceeds \$170,000, D.C.G.A. plays a very significant role in determining the daily life of the university. We want to encourage you to participate in maintaining and improving the quality of our community through student government, campus organizations, and individual responsibility. Involve yourself, it has probably been said too many times that the more you put into something the more benefit you will receive, but it is worth saying again.

We look forward to seeing you during the course of the year and we sense great potential in this entering class of 1986. Our office is located on the fourth floor of Slayter Union, so feel free to stop by to receive any information or simply become acquainted.

With deepest regards,

Tim Boyle

Denison will be revamping the campus telephone system this summer. This is a current list of extensions; we will attempt to give you an updated list as the changes occur. Perhaps this page could be dealt with after the others have been done to allow us time to get these changes sent to you.

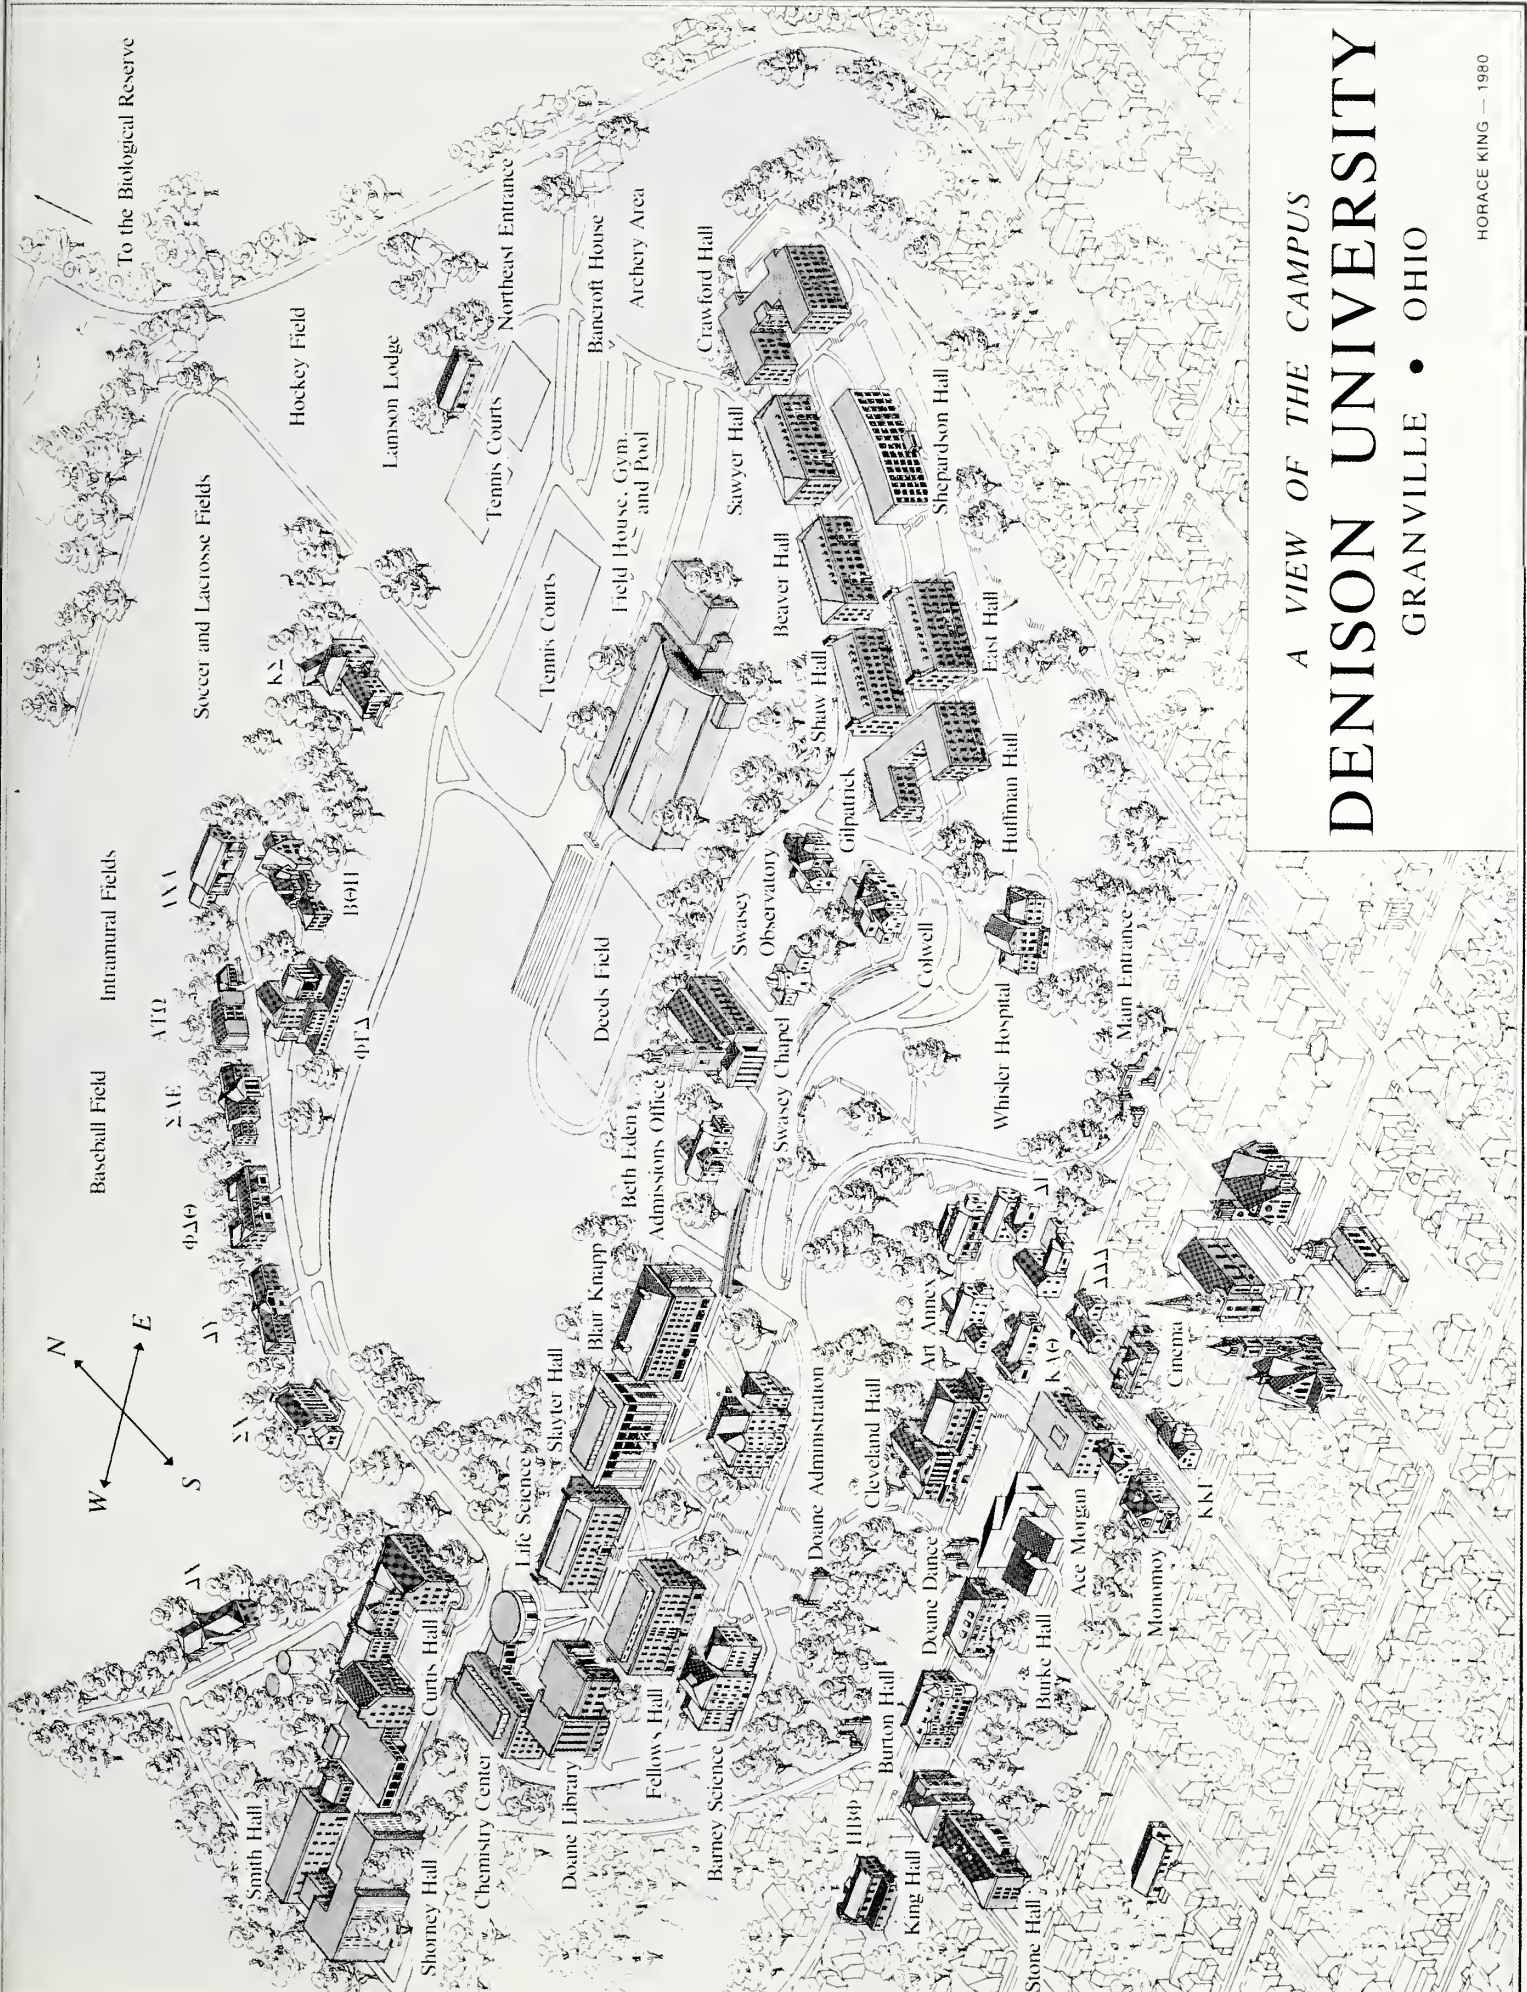

Thank you
